PRACTICE-A-THON

For Ukraine Crisis Relief

Contents:

1. Participant Information
2. Sponsor Information
3. Practice Log
4. Pledge Form

During April, students of teachers from the Vancouver/Burnaby branch of the BC Registered Music Teacher's Association will be participating in a Practice-a-Thon to raise funds for relief efforts in Ukraine. 100% of the proceeds will be donated to the Red Cross.

Here's how you can help:

- 1. Ask family members, friends, neighbors, parents' coworkers, and other people you know to sponsor you and pledge a nickel, dime, or quarter for each minute you practice or a dollar per hour that you practice, or a flat donation (for example, a total of \$50).*
- 2. Give each sponsor a Sponsor Information sheet that explains why you are raising money, and who it will help.*
- 3. Practice as much as you can during April. Keep track using the practice log. Remember, the more you practice, the more you can help!*
- 4. After April 30, let your sponsors know how much you practiced and direct them to our online giving link to make their donation:
<https://www.redcross.ca/UkraineCrisis/BCRMTABurnabyVancouver>*
- 5. Write a short thank-you note to your sponsors!*
