

# Practice-A-Thon Sponsor Information

*I am a student of a teacher from the Vancouver/Burnaby branch of the BC Registered Music Teacher's Association. During the month of April, students will be participating in a Practice-A-Thon. We are raising money for the Red Cross to help deal with the humanitarian crisis currently happening in Ukraine.*

*I am asking if you would consider sponsoring me in the Practice-A-Thon. You may pledge any amount you wish. I will keep track of my practice time and let you know after April 30 how much time I spent practicing and how much your pledge will be. For example, if I practice 30 minutes daily for 26 days during the month of April (780 minutes), and your pledge amount is \$.05/minute, your donation will be \$39. If you would rather give a flat donation instead of a pledge based on how much I practice, that is welcome too. Thank you for your support!*
